Fernald Environmental Management Project
Letter No. C:PS(CA/ACQ):98-0350

**REQUEST FOR PROPOSAL (RFP) NUMBER F98P132339, SILO 3 PROJECT, OPERABLE
UNIT FOUR (OU4)**

Fluor Daniel Fernald, Incorporated, formerly known as Fernald Environmental Restoration Management Corporation (FERMCO), under prime contract DE-AC24-92OH21972 with the United States Department of Energy (DOE), invites you to submit a proposal in response to the attached Firm Fixed Price/Firm Fixed Unit Price RFP, F98P132339, for providing remediation services for in situ Silo 3 material. This RFP has been prepared based upon input from potential contractors, FEMP Stakeholders, U.S. Environmental Protection Agency, and the Department of Energy.

Proposals must be received in accordance with Section L. Paragraph L.3, "Proposal Submittal" on or before July 02, 1998, 2:00 pm Cincinnati local time. Offerors are encouraged to carefully read Section L of this RFP which contains important proposal submittal information, instructions, and requirements.

GENERAL INFORMATION

Proposal Submittals. Proposals for either on-site or off-site treatment of Silo 3 material will be considered. All offerors are invited to submit proposals regardless of the prior qualification process. However, in order for your proposal to be considered, you must meet all the requirements of the Pass/Fail Criteria as stated in Section M.3.1.

Procurement Approach. This RFP requires a two-step approach. Offerors will be required to submit a Technical Proposal. Pricing Information SHALL NOT be provided with the technical proposal. Responsive proposals will be evaluated per Section M.3 and M.4 and a separate technical competitive range of offerors will be established for those offering on-site treatment and for those offering off-site

treatment. These offerors will be required to perform, at their own cost, bench scale laboratory tests to confirm aspects of the Technical Proposal. The offerors in the technical competitive range will be invited to submit a Final Technical and Price Proposal which addresses the requirements specified in Section L.9.3.

Funding. This will be a Firm Fixed Price contract using site operating funds. Line Item 001 will be obligated at time of award and Line Items 002 through 009 are included as Option Items that may be awarded via unilateral modification to the contract.

Schedule. The anticipated award date is May 1999 with a forecasted period of performance to last 52 months. Section F provides a detailed schedule.

Attachments. This RFP and all applicable attachments to this RFP can be found at the www.fernald.gov Internet site under Acquisitions/Activities/Solicitations. Attachments are also available at the Public Environmental Information Center (PEIC) located in the Delta Building at 10967 Hamilton-Cleeves Road, Ross, Ohio. Note: Attachment J.4.43, a set of five (5) Silo 3 "as built" drawings, and Attachment J.4.102, two (2) each underground utility drawings, will be provided by FDF.

Proposals Not to be Evaluated. Potential offerors shall not submit proposals that contain any costs associated with disposal of the treated Silo 3 waste, or any other discussion of waste disposal. If such costs or discussions are received as part of a proposal, FDF will not evaluate this information. Any portion of a proposal which discusses disposal of treated Silo 3 waste will be segregated and returned to the offeror.

Payments. Payments for Option Line Items 002, 003, and 004 (Pre-operational Phase) will be deferred and these line items will be paid by equally amortizing those Firm Fixed Prices over Line Items 005, or 005A and 006 or 006A, if required. Please see Section G, Schedule G.2-1, Invoice Basis, for details regarding payments.

Conference and Tour. A 2-day pre-proposal tour and conference will be held on May 27 and 28, 1998 to tour the work area, review the solicitation, and answer any questions with respect to the project. Please review Section L, Paragraph L.15 for details and attendance approval requirements.

COMMITMENT OF FUNDS

This RFP does not commit the United States Government and/or Fluor Daniel Fernald, Inc. to pay for any costs incurred in the preparation and submission of comments or for any other costs incurred prior to the execution of a subcontract.

This RFP shall not be construed in any manner to be an obligation on the part of the United States Government and/or Fluor Daniel Fernald, Inc. to enter into a Contract, nor can it be taken as a commitment on the part of the U.S. Government and/or Fluor Daniel Fernald, Inc. to proceed with this procurement.

Sincerely,

Donald C. Castle
Principal Procurement Specialist
